

GOLDEN KNIGHTS CLUB

BUSINESS PARTNER PROGRAM

The Golden Knights Club (GKC) is pleased to introduce the GKC Business Partner Program. The Business Partner Program is a new initiative designed for Central Florida businesses to show annual support for their hometown UCF Knights. This program is designed to provide participating businesses valuable exposure and access throughout the year to our growing fan base, a proven loyal consumer group.

The GKC is the official fundraising organization for UCF Athletics. The GKC provides funding for athletics scholarships, and other expenses such as facilities, recruiting, travel, etc. Through your partnership with the GKC, you will also be creating a partnership with over 4,000 of our most loyal supporters.

How the partnership works....

When members of the GKC receive their annual membership cards, they immediately receive benefits at UCF Athletics and Central Florida businesses. For a small financial commitment, this program will allow our supporters the ability to use their membership cards at your establishment to receive a *special promotional offer of your choosing. ***The better the promotional offer, the increased likelihood you will see a sales increase.***
